EDUCATION

New York University, Tandon School of Engineering — **New York, NY**
B.S. in Business and Technology Management — *Expected May 2028*
- Cumulative GPA: 3.60/4.00 | Major GPA: 3.90/4.00 | Coursework: Project Management, Design Thinking, Entrepreneurship
- Technical Coursework: Intro to Programming & Problem Solving, Business Info Systems & Data Tech, Probability & Statistics

PROFESSIONAL EXPERIENCE

Rendez-Vous Partners, Station F — **Paris, France**
Global Strategy Consultant — *Jun 2026 – Aug 2026*
- Drove a self-sourced pipeline of 400+ qualified leads in Clay, converting outreach into 5 meetings with C-suite leaders and founders
- Advised a pre-launch Finland-based startup on product strategy and in-app device feedback mechanisms ahead of its market launch
- Diagnosed a critical site-wide SEO failure and rebuilt its metadata, schema, and keyword targeting, restoring full search visibility

Freelance Web Design — **New York, NY**
Founder & Web Designer — *Present*
- Launched a freelance web design practice, reaching 5 small-business clients within 2 months and developing every site end to end
- Shipped a production site for a two-location Queens barbershop, integrating service menus, customer reviews, and online booking

Biome — **Remote**
Marketing Intern & Brand Ambassador — *Apr 2026 – Jun 2026*
- Scaled Biome's campus user base from 0 to 100+ students in one quarter with zero paid acquisition, driven by peer referral loops
- Drafted the weekly editorial calendar and organic social copy, keeping brand voice consistent as the student user base expanded

HP Tech Ventures — **Remote**
Venture Capital Intern — *Jan 2026 – Mar 2026*
- Screened 100 startups across the thermal management and thermal interface materials markets, shortlisting candidates for diligence
- Led investment analysis on NovoLINC, evaluating product positioning, market size, and strategic fit with HP's investment thesis
- Authored an investment memo for stakeholders, using AI-assisted research to assess fundraising, financials, and growth potential

NYU Human-Centered Design | Lee-Way — **New York, NY**
Designer & Researcher, AI-Powered Adaptive Planner — *Oct 2025*
- Surveyed 90 students and ran interviews, observational, and accessibility-focused research into why rigid planning tools break down
- Synthesized all findings into 6 affinity clusters, reframing the core design problem around helping users recover from missed tasks
- Prototyped a live AI-powered adaptive day planner with voice input, flexible nudge windows, and recovery-oriented interactions

Spotify | Product Management Club — **New York, NY**
Product Manager, Product Team — *Sep 2024 – Jan 2025*
- Conducted 50 in-person interviews and collected 100 survey responses from 18–24 year olds on music, identity, and community
- Ideated 20 features from the research and applied RICE to prioritize a native Community Tab tied to engagement and retention
- Built the Community Tab proposal and Gemini-powered MVP around sharing and reactions, cutting direct messaging from v1
- Wrote the PRD, success metrics, and a 26-week phased roadmap, presenting tradeoffs to a panel of product managers and directors

LEADERSHIP & EXTRACURRICULAR ACTIVITIES

NYU Product Management Club — **New York, NY**
Mentorship Lead — *Fall 2026 – Present*
- Pair 10 mentees with industry mentors from Capital One, Verizon, PwC, Goldman Sachs, Bain, and Mastercard for career guidance
- Host weekly exclusive workshops led by the mentors, and surface hackathon and case competition opportunities for club members
- Co-organizing an AI Fellowship kickoff fireside chat and a hands-on Claude and Codex workshop for the 12-person product team

Electronic Dance Music Club, NYU — **New York, NY**
Founder & President — *Present*
- Founded NYU's Electronic Dance Music Club, building a community of 30 core members and 150 general members campus-wide
- Arranged 2 exclusive ticket raffles and artist promotions, including a Sara Landry show, plus backstage access for club members

Pi Delta Psi Fraternity, Inc. — **New York, NY**
Head of Recruitment & Public Relations Chair — *Jan 2025 – Present*
- Directed and delegated 3 weeks of recruitment programming drawing 75+ attendees, introducing 8 new members to the chapter
- Secured a multi-semester Lucky Energy sponsorship through outreach and negotiation, increasing event visibility and attendance
